Symposium 16:

Instructions for delegates & access to the symposium

1. Symposium 16 comprises 2 keynote lectures, 7 invited lectures and 6 contributed lectures (all of 20 minutes duration)

2. The Symposium runs on Wednesday September 2, in three sessions – morning, early afternoon and late afternoon – commencing at 9:00 (Belgrade time)

3. Entry to the online "room" will be possible from 15 minutes before the presentations commence.

4. There will be a short welcome and introduction 5 minutes before the start of the first presentation of session 1.

5. Each session will comprise 6 "slots", of which the first 5 are for formal presentations and the last is for live questions / discussion covering all presentations in that session.

6. All presentations are pre-recorded.

7. Questions and the discussion will be moderated by the session Chair, via the Chat function.

8. There will be an additional "slot" at the end of session 2 for poster flash presentations.

9. Access to Symposium 16 is via the link:

   Link will be available on the WebApp
